(4) *Redelivery*. In the event the Committee removes reserve tonnage raisins of a previous crop year from a handler upon the request provided for in § 989.66(f) and such handler subsequently desires redelivery to him of reserve tonnage raisins for contract packing, or other purpose, he shall reimburse the Committee in advance of such redelivery for the net costs to it of the removal, storage, and redelivery of such raisins: *Provided*, That the Committee may waive payment by the handler of part or all of such costs if it determines that such waiver is reasonably necessary to the prompt and favorable disposition of the raisins involved.
